

# **NEW! MICHELIN® TRAILXBIB® TIRE**

## **ENHANCED PERFORMANCE FOR SLURRY WAGONS, SPREADERS AND TRAILERS**

OUTSTANDING ENDURANCE

SELF-CLEANING TREAD DESIGN

DESIGNED FOR A LONG TIRE LIFE

LOW SOIL COMPACTION (VF)

Trailers

**MICHELIN**

# MICHELIN® TRAILXBIB® TIRE

## FOR SLURRY WAGONS, SPREADERS AND TRAILERS

### Designed for a Long Tire Life

- Limited scrub thanks to high clearance angle
- More rubber to be worn
- Notched lugs to improve flexibility & flattening to improve regular wear

### Self-cleaning

- Specific tread pattern design
- From blocks to lugs
- Wide & divergent inter-lugs
- No "closed" areas

### Outstanding Endurance

- New VF casing designed for robustness and low pressure impact
- Steel belted

### Puncture & Aggression Resistant

- Steel belted
- Extra rubber between the lugs

### Excellent Road Handling

- Central Rib for robustness
- CTIS compatibility for optimized pressure on the road and in the field

**AIR SYSTEMS** <sup>⊕</sup>  
READY

### Traction

- Sweeping lug design for excellent traction and lateral stability

### Crop Protection

- VF MICHELIN Ultraflex Technology for low soil compaction and optimized yields
- Rounded shoulders

## Two Sizes Available in 2020!

MSPN	Product Line	Size	Load / Speed Index
41626	TrailXbib	VF 560/60R22.5	166D
37535	TrailXbib	VF 650/55R26.5	174D
