

MICHELIN® X ONE® TIRE

TOTAL SATISFACTION GUARANTEE

We are so confident that our MICHELIN® X One® tires will deliver on their promise of fuel savings and weight savings that we'll guarantee your total satisfaction on the two most important aspects of ownership:

Total Driver Satisfaction.

If your drivers are not totally satisfied with the traction and handling of the MICHELIN® X One® tires after the first 60 days and before 210 days of usage, we will issue a full refund (credit memo) for the original value of the tire and the wheel* upon their return + \$30 per assembly to cover the dealer service work required.

Total Owner Satisfaction.

If you are not totally satisfied with the bottom line performance of the MICHELIN® X One® tire in terms of your chosen attribute(s) such as mileage, retreadability, weight savings and/or fuel savings after the original tread life of the tire, we will buy back the casing for \$150 and the wheel* for 75% of its original value.

* Wheels refunded only if the customer converted from dual wheels to wide base wheels in order to run MICHELIN® X One® tires.
